Supporting Foster Parents...

This program is in collaboration with the Department of Children, Seniors and Social Development and the Newfoundland & Labrador Foster Families Association.

www.gov.nl.ca/cyfs • www.nlffa.ca

Waypoints can provide professional, hands on intervention and support to foster parents.

Waypoints: Supporting Foster Parents offers...

- Consistent and experienced employees
- Flexible hours
- Individual support plans
- Hands on intervention strategies
- Crisis management support
- After hours emergency/ on call support
- Program/family activities
- Professional development opportunities e.g. training
- Ongoing access to program services

The program is staffed by well trained, highly skilled and experienced Child and Youth Care Workers.

Depending on your needs, you may avail of all aspects of the program or you may choose to focus on the professional development opportunities only.

If you are interested in the Supporting Foster Parents Program please contact Waypoints for more information or your CSSD Social Worker for a referral to the program.

Waypoints: Supporting Foster Parents is a voluntary program that is intended to complement and support the existing skills and competencies of foster parents.

“

Families are the compass that guide us. They are the inspiration to reach great heights, and our comfort when we occasionally falter.

Brad Henry

”

Waypoints is a multi service agency that offers a number of services to children, youth and families.

Waypoints is a non-profit charitable organization that is governed by a volunteer Board of Directors.
